Dear Sir/Madam

It is our pleasure to introduce our Law office, which has been operating as a consulting firm in the legal advisory market as well as Social Service in the areas of helping marginalized and helpless people who are seeking justice. **Advocate Help India** are convinced that the three basic pillars of our services i.e. **professionalism, effectiveness** and **complexity** of solutions for our clients are fundamentals for any legal advisory.

In our work, we focus on staying current with the legal environment in Pune (India) **using knowledge** not only from domestic resources but also from abroad as well. **AHI** actively participate in awareness programs, do workshops and publications activities. This connection of knowledge of the local environments seems to be the right direction in legal consultancy. We believe that services based on proficiency and qualifications are the pillars of success.

Advocate Help India plays a role in pro bono practice. We do not charge any professional fee from War victim, widow of Army Personnel, victim from acid attack, physically challenged and other deserving and helpless people.

Dynamic development of business requires a legal team able to provide **effective solutions**, based on experience in particular legal areas. We provide our clients with legal services in such areas where we can prove essential knowledge and experience.

We propose complex solutions. For that reason, we cooperate with eminent tax, business and accounting advisors in India and abroad, as well as other specialists in areas that require specific knowledge and qualifications. We are capable of setting up a team of advisors who are able to act immediately.

Our aim is to deliver comprehensive legal solutions to all legal requirements of our clients. Our emphasis is on identifying the client's needs down to the last detail, ensuring that our work is technically faultless and ultimately managing our cases to surpass our client's expectations. **AHI** wants to reach to maximum number of unprivileged class and helping them fight for their right.

Services

We provide legal services at the highest professional level, capable rendering effective solutions mainly in the following areas:

1. Civil and Criminal Law
2. Cyber Law
3. Cheque dishonored
4. Corporate Law (DRT, NCLT)
5. Consumer Law
6. Competition law and State aid law
7. Business law, Startup Compliance, Taxation, Pan/Tan/MSME/NGO
8. Labor law/ HR Compliances
9. Drafting Notice, Deeds, Contracts, W/S

Corporate law

Gained experience and professional prerequisites acquired in the Indian environment enable our law office to provide legal services in the following areas:

- Implementation of *corporate governance principles*
- Restructuring of companies
- Mergers & Acquisitions, transaction documentation included
- Legal advisor for Mergers & Acquisitions transactions
- Due diligence according to the scope of business
- Legal support for *risk management*

Competition law and state aid law

Competition law has an impact on each business entity. In order to provide complex consultancy this branch is an integral part of our services

- Legal advisory in unfair trade
- Appraisal of possible impacts of competition law on activities of an entrepreneur
- Legal advisory in the area of infrastructure
- Representation before the Antimonopoly office
- Appraisal of the negative aspects of the abuse of the dominant position
- Legal advisory in state aid law and appraisal of impacts of Indian law

Business law

We render our services to India and foreign clients; thereby we support them and secure their due performance of business activities as well as the protection of their rights and rightful interests. In the area of Business law, we mainly perform the following:

- Preparation and analysis of contracts and contractual relationships
- Preparation of sample agreements and general business terms, effective setting of contractual relations for the future
- Protection of assets
- Legal appraisal of property structure and identification of risky areas
- Due diligence of contractual relations
- Legal advisory for creditors during execution of their rights

Labor law

The area of Labour law is one of the risky spheres of the management of an entrepreneur. In order to enhance their protection, we provide the following

- Legal advisory during effective setting of HR relations
- Elaboration of internal rules of a company and preparation of the system of its control
- Legal advisory in the area of management contracts
- Preparation and performance of the HR audit of a company
- Representation in labor law disputes

Chosen References

Since we entered the market, we have rendered legal advisory for many domestic as well as foreign clients. We choose from our credentials the following:

Free Legal Advice

Q. How much Free is our Free Legal Advice, Consultation, Aid, Help, Service, Assistance and Support?

A. As long as Legal Advice, Consultation, Aid, Help, Service, Assistance and Support is being sought through:

Mobile No. +91 9999626478

E-Mail at: advocatehelpindia@gmail.com

And the need to read the DOCUMENTS RELATED TO YOUR CASE, or the need for personal meeting does not arise, the LEGAL ADVICE would be tendered absolutely FREE OF COST.

Q. How to Choose between FREE LEGAL ADVICE or PAID LEGAL ADVICE?

A. It would be always better to initially seek FREE Legal Advice, Consultation, Aid, Help, Service, Assistance and Support. If in a given case, we feel that it would hazardous to tender legal advice without reading the documents related to your case or without personal meeting, we would make it known to you; thereafter, as per your wish and requirements you may seek PAID LEGAL ADVICE. If a case is already pending adjudication before a Court or Tribunal or Forum or Board or Arbitrator or Administrator, it is always advisable to seek PAID LEGAL ADVICE.

Q. Do we differentiate in providing FREE LEGAL ADVICE and PAID LEGAL ADVICE?

No. However, since the PAID LEGAL ADVICE is tendered by us only after reading and understanding all the documents related to your case, it is always going to be precise and better.

Q. Do we need any kind of preparation before seeking LEGAL ADVICE?

A. You are advised to be ready with the following details: -

1. Complete history leading to the Case.
2. Complete details of the Case.
3. All documents in relation to the Case.
4. A brief idea of the RELIEF that is being desired.

Q. Why You need to disclose Your personal identities or complete details of the case while seeking LEGAL ADVICE?

A. Suppose "A" person is seeking legal advice from us in relation to his matrimonial problems, Unless and until we know to which religion, country etc., we cannot tender our legal advice as the matrimonial laws differ from religion to religion, country to country or even from state to state. Even a small detail of your Case which is being held back, even inadvertently, may be very material to your Case, and hence, may change the complete course of the advice being tendered by us.

Q. Why Free Legal Advice is being provided by us?

1. It's the Cause for which the Lawyers, Advocates and Attorney have designed and presented.
2. It provides a lot of relief to the person facing the legal problem.
3. It takes very little resources from us.
